PETITIONING THE COURT

To extend the term of supervision for _____ years, for a total term of _____ years.

To modify the conditions of supervision as follows:

1. The defendant agrees to convert the balance of 225 hours of community service to a \$1,316.25 fine, at the rate of \$5.85 per hour.

CAUSE

Since 2005, Mr. Meno has been undergoing treatment for a serious medical condition, which prevents him from performing community service at the approved community service locations (verified). On March 4, 2008, this Officer met with Mr. Meno to discuss converting his community service requirement to a fine obligation, in light of recent and stable employment. Mr. Meno agreed to convert his community service obligation to a fine based on the current minimum wage (\$5.85 per hour). It is therefore recommended that the special condition be modified as follows:

*"The defendant agrees to convert the balance of 225 hours of community service to a \$ 1,316.25 fine,
at the rate of \$5.85 per hour.*

Mr. Meno has tested consistently negative for drug and alcohol use since his release. To date, he has performed a total of 75 hours of community service at the National Park Service. His balance remains at 225 hours. Mr. Meno completed the year long drug treatment and testing program on February 21, 2007. In addition, since October 2007, Mr. Meno has been employed as an administrative assistant at the Agency for Human Resources Development. He paid his \$100 special assessment fee on June 1, 2000 and voluntarily submitted to a DNA sample of his blood on March 7, 2006.

Based on the information above, this Officer respectfully requests that the Court modify the conditions of supervised release, pursuant to 18 U.S.C. § 3583(e)(2) as outlined above. Attached is Probation Form 49, Waiver of Hearing to Modify Conditions of Probation/Supervised Release or Extend Term of Supervision, with Mr. Meno's consent to the modification.
